Apply to one of Jane Street's upcoming educational programmes

Jane Street

We're always looking for new people to join our team, and our programmes are a great opportunity for us to get to know each other better. No prior finance experience is required, just an eagerness to learn what a career might look like in tech, trading, or strategy at a quantitative trading firm.

FOCUS

We invite first-year students who have experienced barriers to accessing advanced STEM educational opportunities to meet our team and learn about our trading, software engineering, and strategy and product teams.

13 JAN - 16 JAN 2027 **APPLY BY: 8 NOV 2026**

FTTP

First-Year Trading and Technology Program

Over the course of a few days, we invite first-year undergraduates to learn about our innovative trading and technology models through a series of classes and a team-based mock trading simulation game.

21 MAR - 25 MAR 2027 **APPLY BY: 3 JAN 2027**

bridge

We invite first- and second-year university students to explore the inner workings of our business. Our London programme offers two tracks: strategy and product, and institutional sales and trading.

1 APR - 3 APR 2027 **APPLY BY: 3 JAN 2027**

INSIGHT+

In this multi-day programme, we invite women, transgender, and/or gender-expansive students to learn about roles at Jane Street. We offer three tracks: software engineering, trading and research, and strategy and product.

5 APR - 10 APR 2027 **APPLY BY: 3 JAN 2027**
